

SEPTEMBER 2022

# Berkys Newsletter

Berkys Early Development, Valley Stream, NY

Dear Family & Friends,

We have officially approached the beginning of a new school year at our new program, Berkys Early Development in Valley Stream, NY. I wanted to take a moment to thank each and every one of you for believing in my abilities and vision to prepare your little one for Kindergarten and beyond!

Each month, you will receive a monthly newsletter, along with our curriculum, and meal menu. This will give you a better understanding of what to expect during each month at our program.

This month, we will be focusing on getting to know each other and the world around us. Each theme in September is light and simple because it is important to help establish a routine and structure in our learning environment. We will begin to get to know each other and work out all of the kinks to help us enjoy a smooth and fun academic school year.

If you haven't done so already, please set up your Brightwheel account in your Brightwheel app to stay updated with notes and photos of your child's experience at my program.

I am truly honored to have the opportunity to work with your children this year. Please do not hesitate to reach out to me if you ever have any questions or concerns regarding your child's safety and development.

Wishing you all a wonderful and successful school year!

Love,  
Ms. Stephanie

# Back to School Night!!!

Thursday, September 29th at 6 p.m.

Join us for our Back-To-School Night event to see all of the wonderful things that your children have been doing since they began school.

*Please note that this isn't a parent-teacher conference. If you would like to discuss your child's progress, please make an appointment with me. I do encourage parents/guardians to give their children some time to shine. Parent/Teacher conferences will be held during the first week of November.*

This event is designed to discuss what we have accomplished during our first month - and what we plan to see throughout the school year. You will enjoy a freshly baked apple pie that the children will make earlier in the day.
